THIS SECOND AMENDMENT TO AGENT AND FINANCIAL ASSISTANCE PROJECT AGREEMENT, dated as of March 31, 2020, is by and between the **ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation duly existing under the laws of the State of New York with offices at 95 Perry Street, Suite 403, Buffalo, New York 14203 (the "Agency") and **683 NORTHLAND LLC**, a limited liability company duly organized, validly existing and in good standing under the laws of the State of New York with offices at 95 Perry Street, Suite 404, Buffalo, New York 14203 (the "Company").

### WITNESSETH:

WHEREAS, 683 NORTHLAND LLC, AND/OR INDIVIDUAL(\$) OR AFFILIATES, SUBSIDIARY(IES), OR ENTITY(IES) FORMED OR TO BE FORMED ON ITS BEHALF (the "Company") submitted an application to the Agency (the "Original Application") requesting the Agency's assistance with a certain project (the "Original Project") consisting of: (i) a 10.19+/- acre parcel of land located at 644, 664, 683, 688 and 690 Northland Avenue in the City of Buffalo, Erie County, New York (the "Land") together with an existing 235,000+/- SF building (the "Existing Improvements"), (ii) the renovation, upgrading and equipping of the Existing Improvements thereon to house a 100,000+/- SF advanced manufacturing and electrical utilities training center and a 135,000+/- SF multi-tenant manufacturing facility consisting of manufacturing space, research and development space, and office space (the "Improvements"), and (iii) the acquisition and installation by the Company of certain items of machinery, equipment and other tangible personal property (the "Equipment," and collectively with the Land, the Existing Improvements and the Improvements, the "Facility"); and

WHEREAS, by resolution adopted on May 24, 2017 (the "Initial Resolution"), the Agency authorized financial assistance to the Company with respect to the Original Application in the form of (a) an exemption benefit from all New York State and local sales and use taxes for purchases and rentals related to the Original Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the construction and equipping of the Facility, (b) a mortgage recording tax exemption benefit for the financing related to the Original Project, and (c) a partial abatement from real property taxes benefit through a seven (7) year term PILOT Agreement for the benefit of each municipality and school district having taxing jurisdiction over the Original Project, (collectively, the sales and use tax exemption benefit, the mortgage recording tax exemption benefit, and the partial abatement from real property taxes benefit, are hereinafter collectively referred to as the "Financial Assistance"); and

WHEREAS, based upon representations and warranties made by the Company in the Original Application, the Agency, within the terms of the Initial Resolution, authorized and approved the Company, as its agent, to make purchases of goods and services relating to the Original Project that would otherwise be subject to New York State and local sales and use tax in an amount up to \$26,472,639.00, which results in New York State and local sales and use tax exemption benefits not to exceed \$2,316,356.00, and required the Company to evidence that the total investment actually made with respect to the Original Project, at the time of Original Project completion, equals or exceeds \$49,357,729.00 (which represented the product of 85% multiplied

by \$58,067,917.00 (being the total Original Project cost as stated in the Original Application for Financial Assistance at that point in time); and

WHEREAS, the Agency and the Company entered into that certain Agent and Financial Assistance Project Agreement, dated as of September 29, 2017, as amended from time to time, (collectively, the "Agent Agreement"), whereby the Agency authorized the Company to act as its Agent for the purposes of acquiring, constructing and/or equipping the Facility; and

WHEREAS, on June 5, 2018, the Agency received an amended application (the "Amended Application") from the Company requesting additional Financial Assistance due to extraordinary costs associated with the renovation of a 100+/- year old office and manufacturing facility, historic preservation requirements and brownfield remediation costs and to undertake Phase II of the Original Project, which will involve the renovation of the remaining portions of the Facility not already renovated under Phase I of the Original Project, and specifically requesting to make additional purchases of goods and services relating that would otherwise be subject to New York State and local sales and use tax in an amount up to \$22,133,547.00, which results in additional New York State and local sales and use tax exemption benefits not to exceed \$1,936,686.00; and

WHEREAS, by resolution adopted on July 25, 2018 (the "Amended Resolution"), the Agency: (i) confirmed the undertaking of Phase II of the Original Project; (ii) authorized and approved an amended Sales Tax Exemption benefit as described herein and further, specifically authorized and approved the Company, as its agent, to make purchases of goods and services relating to the Original Project, as amended (now, the "Amended Project") and that would otherwise be subject to New York State and local sales and use tax in an estimated amount up to \$48,606,186.00 (being the sum of \$26,472,639.00 as proposed in the Original Application and \$22,133,547.00 as proposed in the Amended Application), which may result in New York State and local sales and use tax exemption benefits not to exceed \$4,253,042.00 (being the sum of \$2,316,356.00 as proposed in the Original Application and \$1,936,686.00 as proposed in the Amended Application); and (iii) authorized the Investment Commitment material term to be increased to require that the total investment actually made with respect to the Amended Project at the time of the Amended Project completion equals or exceeds \$84,179,795.00, which represents the product of 85% multiplied by \$99,035,011.00 (being the total Amended Project cost as stated in the Company's Amended Application for Financial Assistance); and

WHEREAS, to reflect and confirm the foregoing, the Agency required a First Amendment to Agent Agreement be executed, and the Company and the Agency agreed to execute the First Amendment to Agent Agreement to reflect the Amended Project, the increased amount of the New York State and local sales and use tax exemption benefit provided by the Agency, and any additional amendments thereto.

WHEREAS, the Agency and the Company executed the First Amendment to Agent and Financial Assistance Agreement (the "First Amendment") dated September 29, 2017; and

WHEREAS, the Company has notified the Agency that the Amended Project has not been completed and has requested an additional extension of the New York State and local sales

and use tax exemption benefit provided by the Agency, which the Agency has agreed to provide to the Company; and

WHEREAS, the Agency requires a Second Amendment to the Agent and Financial Assistance Agreement (the "Second Amendment") be executed, and the Company and the Agency have agreed to execute the Second Amendment to reflect the extension of the New York State and local sales and use tax exemption benefit provided by the Agency and any additional amendments thereto.

**NOW THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

The Agent Agreement is amended as follows:

1. Any references to the sales tax exemption expiration in the Agent Agreement shall be changed from March 31, 2020 to June 30, 2020.

Unless otherwise amended pursuant to the terms contained herein, the terms of the Agent Agreement shall remain unchanged.

## Instructions

#### When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

#### Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

## If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the *Completion date of project* has passed.

## Instructions

#### To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter N/A.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

#### Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- A. Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- B. Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- C. Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

#### Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your Certificate of Authority, if you are required to be registered as a vendor. See TSB-M-09(17)S, Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability, for more information.

#### To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.
