The Facility will be initially operated and/or managed by the Company; and

**WHEREAS**, pursuant to General Municipal Law Section 859-a, on May 24, 2023, at 11:00 a.m. at the Town of West Seneca Community Center & Library, located at 1300 Union Road, West Seneca, New York 14224, the Agency held a public hearing with respect to the Project and the proposed Financial Assistance (as hereinafter defined) being contemplated by the Agency (the “Public Hearing”) whereat interested parties were provided a reasonable opportunity, both orally and in writing, to present their views; and

**WHEREAS**, the Agency must comply with Article 8 of the New York Environmental Conservation Law and the regulations adopted thereto (collectively referred to as “SEQR”), and determine whether or not the Project presents a potential significant adverse environmental impact requiring the preparation of an environmental impact statement pursuant to SEQR; and

**WHEREAS**, the Company has submitted an Environmental Assessment Form to the Agency (the “EAF”) to assist in undertaking the required SEQR review; and

**WHEREAS**, pursuant to Article 18-A of the Act, the Agency desires to adopt a resolution describing the Project and the Financial Assistance that the Agency is contemplating with respect to the Project.

**NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:**

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency Policy Committee review of and recommendations related to the Project and its June 1, 2023 resolution to approve the Project subject to the terms and conditions as described herein, the Policy Committee and Agency board member review of the Project's cost benefit ratio, the costs of incentives so applied for, the anticipated new tax revenues to be generated by the Project, as well as the Project's contemplated community benefits, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and/or renovating and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Erie County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis satisfactorily identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act; and

(I) The Project involves an "Unlisted Action" as said term is defined pursuant to 6 N.Y.C.R.R. Section 617.2(al) of the SEQR regulations. The Agency has conducted an uncoordinated review of the Project pursuant to 6 N.Y.C.R.R. Section 617.6(b)(4)(i). Based upon a comprehensive and thorough review by the Agency of the EAF and related documents delivered by the Company to the Agency, the criteria set forth in 6 N.Y.C.R.R. Section 617.7 of the SEQR regulations, and the additional representations made by the Company to the Agency in connection with the Project, the Agency: (i) hereby finds that the Project constitutes an "Unlisted Action" within the meaning of SEQR and a coordinated review is optional; (ii) the Agency has conducted an uncoordinated review of the Project under SEQR; (iii) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (iv) construction related impacts are short term and do not have a significant magnitude or effect; (v) the Project will not have a "significant effect on the environment" as such quoted term is defined in SEQR; and (vi) no "environmental impact statement" as such quoted term is defined in SEQR, need be prepared for this action. The Agency thus issues a "negative declaration" as that term is defined pursuant 6 N.Y.C.R.R. Section 617.2(z); and

(J) The Project qualifies for Agency Financial Assistance as it meets the Agency's evaluative criteria established by the Agency as required under General Municipal Law Section 859-a(5), as evidenced by the following:

(i) *Wage Rate (above median wage for area):* Average wages for its retained employees equals \$47,000, and new average salaries for the jobs to be created will be between \$36,000 - \$48,999, exceeding the median wages for the area.

(ii) *Regional Wealth Creation (% sales/customers outside area):* 99% of sales are outside Erie County.

(iii) *In Region Purchases (% of overall purchases):* 30% of purchases are made within the region.

(iv) *Research & Development Activities:* Approximately 5% of the Company's expenses are attributed to research and development activities.

(v) *Investments in Energy Efficiency:* The Company anticipate purchasing new machinery and equipment that will provide demonstrable energy efficiency.

(vi) *Retention/Flight Risk:* Without the assistance of the Agency for the proposed expansion, the Company would be forced to either open a new pasta facility, purchase an existing pasta facility, or outsource the additional capacity required for expansion, any one off which could potentially be located outside of New York State.

(vii) *MBE/WBE Utilization:* The Company is committed to promoting MBE/WBE hiring and utilization. When undertaking prior capital projects, the Company has sought out and solicited bids from BME/WBE contractors and/or subcontractors. The Company will continue the hiring of MBE/WBE wherever and whenever possible, consistent with its business mission and its commitments to its associates, customers, vendors and stakeholders.

(viii) *Workforce Access-Proximity to Public Transportation:* The proposed project location is in close proximity to NFTA bus line #2 on Union Road near Gardenville Parkway.

Section 2. The Agency hereby authorizes the undertaking of the Project and the provision of the Financial Assistance to the Company as described herein.

Section 3. Subject to the Company executing an Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of insurance for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and/or renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the authority to appoint the Company to act as agent of the Agency, if said appointment is not duly made, as herein expressed, shall expire one year from the date of this resolution (unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Vice President, the Chief Financial Officer/Treasurer, and/or the Assistant Treasurer).

A. Financial Assistance. With respect to the foregoing, and based upon the representations and warranties made by the Company in its application for Financial Assistance, the Agency hereby:

(i) authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount estimated up to \$5,200,000, and, therefore, the value of the sales and use tax exemption benefits (“sales and use tax exemption benefits”) authorized and approved by the Agency cannot exceed \$455,000, however, the Agency may consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services; and

(ii) authorizes and approves that the value of the mortgage recording tax exemption benefit (“mortgage recording tax exemption benefits”) shall not exceed \$75,000; and

(iii) authorizes and approves that the real property tax abatement benefits (“PILOT benefits”) to be provided over the term of the PILOT Agreement are estimated to be approximately \$218,789, resulting in estimated total PILOT payments of \$1,484,024 over the term of the PILOT Agreement.

B. Terms and Conditions of Financial Assistance. Pursuant to Section 875(3) of the New York General Municipal Law, and per the policies of the Agency, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any New York State and local sales and use tax exemption benefits, and/or mortgage recording tax exemption benefits, and/or partial abatements from real property taxes benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the New York State and local sales and use tax exemption benefits; (ii) the New York State and local sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the New York State and local sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; (iv) the Company has made a material false statement on its application for Financial Assistance; (v) the New York State and local sales and use tax exemption benefits and/or mortgage recording tax exemption benefits, and/or the partial abatement from real property taxes benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with the Investment Commitment, the Employment Commitment, and/or the Local Labor Commitment, said commitments, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project; and/or (vi) the New York State and local sales and use tax exemption benefits, and/or mortgage recording tax exemption benefits, and/or the partial abatement from real property taxes benefits are taken in cases where the Company fails to comply with the Equal Pay Commitment and/or the Unpaid Real Property Tax Policy Commitment, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.

As a condition precedent of receiving Financial Assistance, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must cooperate with the Agency in its efforts to recover or recapture any Financial Assistance, and promptly pay over any such amounts to the Agency that the Agency demands.

C. Commitments. As an additional condition precedent of receiving Financial Assistance, and as a material term or condition as approved by the Agency in connection with the Project, the Company covenants and agrees and understands that it must, subject to potential modification, termination and/or recapture of Financial Assistance for failure to meet and maintain the commitments and thresholds as described below, submit, on an annual basis or as

otherwise indicated below through the termination of the PILOT Agreement, a certification, as so required by the Agency, confirming:

- (i) Investment Commitment- the total investment made with respect to the Project at the time of Project completion equals or exceeds \$13,600,000 (which represents the product of 85% multiplied by \$16,000,000, being the total project cost as stated in the Company's application for Financial Assistance).
- (ii) Employment Commitment – that there are at least 275 existing full time equivalent (“FTE”) employees located at, or to be located at, the Facility as stated in the Company's application for Financial Assistance (the “Baseline FTE”); and
  - the number of current FTE employees in the then current year at the Facility; and
  - that within two (2) years of Project completion, the Company has maintained and created FTE employment at the Facility equal to 287 FTE employees [representing the sum of (x) 275 Baseline FTE and (y) 12 FTE employees, being the product of 85% multiplied by 15 (being the 15 new FTE employee positions proposed to be created by the Company as stated in its Application)]. To confirm and verify the Company's employment numbers, the Agency requires that, at a minimum, the Company provide employment data to the Agency on a quarterly basis, said information to be provided on the Agency's “Quarterly Employment Survey” form to be made available to the Company by the Agency.
- (iii) Local Labor Commitment - that the Company adheres to and complies with the Agency's Local Labor Workforce Certification Policy on a quarterly basis during the construction period.
- (iv) Equal Pay Commitment – that the Company adheres to and complies with the Agency's Pay Equity Policy.
- (v) Unpaid Real Property Tax Policy Commitment – that the Company is compliant with the Agency's Unpaid Real Property Tax Policy.

Section 6. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to negotiate, execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

In the event the Agency has not received the executed Fee Agreement and the appropriate fee within such sixty (60) day period, this resolution shall become automatically null and void and of no further effect and the Agency shall have no liability to the Company hereunder or otherwise, unless extended in the discretion of the Chair, the Vice Chair, the President/Chief Executive Officer, the Vice President, the Chief Financial Officer/Treasurer, or the Assistant Treasurer for good cause shown.
