REVIEW “ECIDA 2021 MISSION STATEMENT & PERFORMANCE MEASUREMENTS-RESULTS” AND REVIEW “ECIDA 2022 MISSION STATEMENT & PERFORMANCE MEASUREMENTS-GOALS”

Ms. O’Keefe reviewed the 2021 performance measures report.

Ms. O’Keefe noted that all comments and suggestions have been incorporated into the Mission Statement and Performance Measures. Also a change was made to the bond activity. Three of five grants have been submitted and approved.

Mr. Cappellino advised that with regard to MBE/WBE, the Agency had hoped to have more procurement in 2021 but the Agency did increase spending by 50% and is doing business with an MBE office supply company.

He also advised that Objectives 5A, 5B, 5D and 5E were pending and are now complete. Objective 5C will be restated to more clearly reflect results.

Ms. O’Keefe reviewed the 2022 performance measures and Mission Statement.

Mr. Cappellino noted that with respect to Objective 1B, with the EDA having released their interest in the revolving loan funds, he meet with staff regarding rolling out new tools and products to help penetrate parts of market that are under served.

Mr. Cappellino reviewed Objective 2F metrics and support of creation of jobs at all salary levels and discussed living wage calculations for Erie County, New York.

Ms. Whyte stated it made sense that the Agency does typically induce projects that have jobs paying a living wage. Ms. Whyte queried if the Agency should consider adding more to the metric.

Mr. Cappellino noted that the Agency did make a change in reporting to categorize salary levels and could look at a further breakdown.

Ms. McDuffie stated that a complicating factor is that we don’t have household data.

Ms. Johnson stated she appreciated the work of staff to present revised data and supporting research.

Ms. O’Keefe updated members on Objective 2H to include regionally strategic land development initiatives.

Ms. O’Keefe noted Objectives 5A-5F remain the same with 100% compliance.

Mr. Cappellino stated the measures and mission statements are reported to ABO each year as part of the Agency’s state filing.

Ms. Whyte moved and Ms. Johnson seconded to accept and recommend the 2021 Performance Measures Report and the 2022 Performance Measurers Report be forwarded to the members of the ECIDA, ILDC and RDC Board for approval. Ms. McDuffie called for the vote and the motion was then unanimously approved.
